CELEBRATING SMME GROWTH!

We recently celebrated the graduation of 16 local entrepreneurs who successfully completed our six-month Bergriver Enterprise Development Training Programme.

Furthermore, 14 of these SMMEs were selected to receive grant funding to invest in income-generating assets, ensuring their businesses continue to thrive and contribute to the local economy.

INSPIRING YOUNG GIRLS THROUGH THE GIRL EFFECT CAMP!

Twelve young girls embarked on a transformative journey at our Girl Effect Camp, where they explored self-awareness, leadership, and resilience.

Through engaging activities, they learned valuable life skills, empowering them to face challenges with confidence. We remain dedicated to nurturing the potential of young women in our communities.

SUPPORTING FUTURE SCHOLARS!

Our commitment to investing in the education of young people on the West Coast continues with the awarding of a new scholarship to Isaiah Andreas, a first-year Chemical Engineering student at the University of Cape Town.

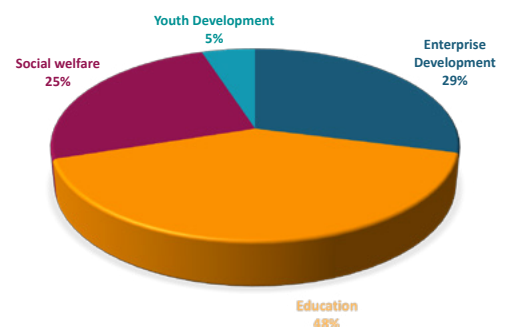

We are excited to support Isaiah on his academic journey and look forward to seeing his achievements in the years to come. Wishing him and all our scholarship recipients success in their studies!

MEDICAL EXCELLENCE: A PROUD MOMENT!

We are proud to announce that our first MBChB(Medicine) scholarship recipient, Dr. Prezens, has successfully completed his medical degree cum laude. His hard work and dedication have been truly inspiring. We extend our heartfelt congratulations and best wishes as he embarks on his professional journey in the medical field.
